United Nations E/2006/9/Add.13

Economic and Social Council

Distr.: General
7 March 2006

Original: English

Resumed organizational session for 2006
10 and 11 May 2006
Agenda item 4
Elections, nominations, confirmations and appointments

Election of two members of the International Narcotics Control Board under the provisions of article 9, paragraph 1 (a), of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol

Note by the Secretary-General

Addendum

Election of two members of the International Narcotics Control Board from among candidates nominated by the World Health Organization

1. The present note contains information on candidates nominated by the World Health Organization (WHO). Information on candidates nominated by Governments is contained in documents E/2006/9/Add.11 and Add.12.

2. In accordance with established procedure, the Secretary-General invited the Director-General of WHO to submit a list of at least five candidates for election to membership in the International Narcotics Control Board for the period from 2 March 2007 to 1 March 2012 on the expiration of the term of office of two members of the Board who were originally nominated by WHO and elected by the Economic and Social Council in 2001. The posts are currently occupied by Elisaldo Luiz de Araújo Carlini (Brazil) and Hamid Ghodse (Islamic Republic of Iran).

3. As of 19 January 2006, five candidates had been proposed by WHO. Their names are given below in alphabetical order:

Elisaldo Luiz de Araújo Carlini*	Brazil
Godofreda Dalmacion**	Philippines
Hamid Ghodse**	Islamic Republic of Iran

* Nominated by WHO and Brazil.
** Nominated by WHO and the Islamic Republic of Iran.

06-26295 (E) 270306

Georges Lagier	France
Sri Suryawati	Indonesia

4. The biographical information that was transmitted with proposals for candidates is contained in the annex to the present document.

5. In accordance with article 9, paragraph 2, of the Single Convention on Narcotic Drugs, 1961,[1] as amended by the 1972 Protocol,[2] members of the Board shall not hold positions or engage in any activity that would be liable to impair their impartiality in the exercise of their functions. Positions and activities of individuals in the following areas are, in particular, incompatible with membership of the Board: persons who hold government posts, are in the paid service of their Governments or are acting under instructions from their Governments; persons who represent a Government at national or international forums on drug-related issues; and persons who are engaged in any activity, whether private or public, that might be liable to impair their impartiality in the exercise of their functions on the Board or whose activity is in conflict with the functions of the Board.

6. Document E/2006/9/Add.11 contains information on the number, length and place of meetings of the Board in 2005, on payments to members and on present membership (annex I); articles 9 (Composition and functions of the Board) and 10 (Terms of office and remuneration of members of the Board) of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol (annex II); information on qualifications and other conditions of membership on the Board (annex III); and a list of the States parties to the Single Convention, the 1972 Protocol amending that Convention, the Convention on Psychotropic Substances of 1971[3] and the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988[4] (annex IV).

Present post

Professor in Clinical Pharmacology (second echelon), University of Paris 7, Faculty of Medicine; Hospital Consultant (fifth echelon), Department of Medicine, Fernand Widal Hospital, Paris Hospitals Authority.

Previous posts

Non-resident physician, Paris Hospitals Authority (1961); house physician, Paris Hospitals Authority (1965); University teaching assistant (1970-1972); Senior Registrar and Senior Assistant Lecturer, Toxicology Clinic, Fernand Widal Hospital (1972-1975); Assistant Hospital Lecturer in Pharmacology, Medical Consultancy, Fernand Widal Hospital (1975-1978); Senior Lecturer in Pharmacology, Institute of Pharmacology (1978-1979); Assistant University Lecturer in Pharmacology, Institute of Pharmacology (1975-1978); Senior Lecturer in Pharmacology and Biologist, Paris Hospitals Authority, University of Paris 7 (1979); Senior Lecturer in Pharmacology and Biologist, Faculty of Medicine, Lariboisière-Saint Louis, University of Paris 7 (1979-1981); Head, Scientific Secretariat, Ministerial Technical Commission on Pharmacovigilance, Pharmacy and Medicines Directorate, Ministry of Health; Head, Department of Pharmacology, University Hospital Centre (1981-1985); Professor in Pharmacology, University of Paris and Hospital consultant, Department of Medicine, Lariboisière-Saint Louis (1985-1993); Head, Department of Pharmacology, University Hospital Centre (1985-1993); pharmacovigilance expert, European Medicines Agency, European Union and expert on drug dependency and substance abuse, World Health Organization (1983-2000).

Memberships

Member, French Society of Therapeutics and Pharmacodynamics; member, French Society of Therapeutics and Clinical Pharmacology (1972-1996); Member, French Society of Pharmacology (since 1996); Member and President, French Society of Toxicology (since 1975); member, European Society of Toxicology (1976-1993); member, Association of Pharmacologists (1977-1996); Associate member, French Association of Allergology and Clinical Immunology (1978-1992); Founder and member of executive bureau, European Society of Pharmacovigilance (1992-1999); Associate member, French Society of Clinical Toxicology (since 1999); Founder and member, International Society of Pharmacovigilance (since 1999); honorary member and President, French Association of Poisons Centres (1996-2003); member, National Commission on Pharmacovigilance and Vice-President, National Commission on Narcotic Drugs and Psychotropic Substances (present).

Publications

Six hundred publications, including scientific and popular articles, communications, original works and works of joint authorship, translations into French of works in English; basic, methodological and applied clinical research, inter alia, on: action of various medicines or toxins on passive ion exchange across excitable cell membranes; effect of various medicines on cell growth in human breast cancer cell lines; methodology in pharmacovigilance and drug dependency assessment; clinical action of medicines; unexpected, undesirable or toxic effects of medicines; poisoning from medicinal or non-medicinal substances or products.

Honours

Dissertation prize (silver medal), Faculty of Medicine, University of Paris 7 (1972); Prize in clinical pharmacology, French Society of Therapeutics and Pharmacodynamics (1974); Jean Hamburger Prize of the City of Paris (1993); Medal of the National Order of Physicians (1995); Marcel Arnaud Prize, Automobile Club of France (1998); Chevalier (Knight), Order of the Legion of Honour (2000).

5. **Sri Suryawati (Indonesia)**

Education

Doctor (Ph.D.), Gadjah Mada University, Yogyakarta, Indonesia.

Present posts

Director, Centre for Clinical Pharmacology and Medicines Policy Studies, Gadjah Mada University; Director, Post-graduate Programme on Medicines Policy and Management, Gadjah Mada University; Head, Department of Clinical Pharmacology, Faculty of Medicine, Gadjah Mada University; Expert adviser to the Director of the National Agency for Drug and Food Control, Indonesia.

Previous posts

Expert Advisory Panel for Medicines Policy and Management, World Health Organization, 2001-2005 (2005-2009); Member, United Nations Millennium Project: Millennium Development Goal Task Force 5 on HIV/AIDS, tuberculosis, malaria, and access to essential medicines; Expert Committee member for the Production of Medicines Causing Dependency, WHO, 2002 and 2006; Expert Committee member for the revision of Essential Medicines List, WHO, 2002, 2003, 2005; Executive Committee member, International Society of Drug Bulletins, Coordinator for Southeast Asia and Pacific Region, 1997-1999; WHO Consultant on medicines policy and essential medicines, Cambodia 2005, 2003, 2001 and Indonesia, 2005; WHO Consultant on promoting rational use of medicines in Pakistan, 2004, Cambodia, 2003, Malaysia, 2001 and Lao People's Democratic Republic, 2001; International facilitator in various training courses on promoting the quality use of medicines supported by WHO in India, 2002, the Islamic Republic of Iran, 2002 and 2001, Indonesia, 2001, 2000 and 1994, India, 1999, Thailand, 1998, Bangladesh, 1997 and the Philippines, 1996; WHO Consultant on drug evaluation, clinical research practices, and bioequivalence testing facilities, Vietnam and China, 2003.

Publications

Over 30 research publications in peer-reviewed journals; Contributor, *Textbook of Clinical Pharmacology: Drugs Benefits and Risks*, John Wiley & Sons, 2000; Contributor to several international training course materials, i.e., Promoting Rational Use of Medicines, Drugs and Therapeutics Committee, Drug Policy Issues in Developing Countries; Supervisor of more than 50 post-graduate theses in medicines policy and management.

Meetings attended

Euroconference on Mastering Anti-Infective Therapies, Institut Louis Pasteur, Paris, 2005; The Role of Clinical Pharmacology in Promoting Rational Drug Use in Developing Countries; International Conference on Clinical Pharmacology and Therapeutics, Brisbane, Australia, 2004; Strategies to promote quality use of medicines: Best mix of strategies for improving medicine use, case studies from developing countries, Australian National Medicine Symposium, Brisbane, 2004; Is QUM 2024 still a risky business? An International Perspective, National Medicine Symposium, Brisbane, 2004; Decentralization as a challenge to improve the quality

use of medicine: Indonesia experience; International Conference on Clinical Pharmacology and Therapeutics, Brisbane, 2004; Innovative strategies to improve prescribing: A pleasant journey from field-test to institutional programs; International Conference on Improving the Use of Medicines, Chiang Mai, Thailand, 2004.

United Nations E/2006/9/Add.13*

Economic and Social Council

Distr.: General
4 April 2006

Original: English

Resumed organizational session for 2006
10 and 11 May 2006
Agenda item 4
Elections, nominations, confirmations and appointments

Election of two members of the International Narcotics Control Board under the provisions of article 9, paragraph 1 (a), of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol

Note by the Secretary-General

Addendum

Election of two members of the International Narcotics Control Board from among candidates nominated by the World Health Organization

1. The present note contains information on candidates nominated by the World Health Organization (WHO). Information on candidates nominated by Governments is contained in documents E/2006/9/Add.11 and Add.12.

2. In accordance with established procedure, the Secretary-General invited the Director-General of WHO to submit a list of at least five candidates for election to membership in the International Narcotics Control Board for the period from 2 March 2007 to 1 March 2012 on the expiration of the term of office of two members of the Board who were originally nominated by WHO and elected by the Economic and Social Council in 2001. The posts are currently occupied by Elisaldo Luiz de Araújo Carlini (Brazil) and Hamid Ghodse (Islamic Republic of Iran).

3. As of 19 January 2006, five candidates had been proposed by WHO. Their names are given below in alphabetical order:

Elisaldo Luiz de Araújo Carlini**	Brazil
Godofreda Dalmacion	Philippines
Hamid Ghodse***	Islamic Republic of Iran

* Reissued for technical reasons.
** Nominated by WHO and Brazil.
*** Nominated by WHO and the Islamic Republic of Iran.

06-26295* (E) 040406

Georges Lagier	France
Sri Suryawati	Indonesia

4. The biographical information that was transmitted with proposals for candidates is contained in the annex to the present document.

5. In accordance with article 9, paragraph 2, of the Single Convention on Narcotic Drugs, 1961,[1] as amended by the 1972 Protocol,[2] members of the Board shall not hold positions or engage in any activity that would be liable to impair their impartiality in the exercise of their functions. Positions and activities of individuals in the following areas are, in particular, incompatible with membership of the Board: persons who hold government posts, are in the paid service of their Governments or are acting under instructions from their Governments; persons who represent a Government at national or international forums on drug-related issues; and persons who are engaged in any activity, whether private or public, that might be liable to impair their impartiality in the exercise of their functions on the Board or whose activity is in conflict with the functions of the Board.

6. Document E/2006/9/Add.11 contains information on the number, length and place of meetings of the Board in 2005, on payments to members and on present membership (annex I); articles 9 (Composition and functions of the Board) and 10 (Terms of office and remuneration of members of the Board) of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol (annex II); information on qualifications and other conditions of membership on the Board (annex III); and a list of the States parties to the Single Convention, the 1972 Protocol amending that Convention, the Convention on Psychotropic Substances of 1971[3] and the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988[4] (annex IV).
